# Your Earning Potential Grows With Your Community

We measure the total sales of You + Friends + Friends of Friends (your Total Community Sales) each month to determine your Partner title and related rewards. Your Total Personal Sales includes your Customer Sales (on which you earn the Customer Commissions) + your personal orders.

	Partner	Gold Partner	Platinum Partner
Monthly Total Community Sales	Up to \$5,000	\$5,000 up to \$25,000	\$25,000+
Community Commissions	5% on Friends 3% on Friends of Friends	6% on Friends 4% on Friends of Friends	7% on Friends 5% on Friends of Friends 1% on FOFOF at \$100,000+
Thrive Bonus		\$250 with \$15,000+ Total Community Sales	\$1,000 for \$50,000+ Total Community Sales
Mentor Bonus	\$50 for each new Partner you sign up with \$500 in Total Personal Sales in her Start Month.		

\*No commissions will be paid on Partner orders for business tools that are not for resale to customers (i.e, Starter Kits). Your monthly earnings are calculated using the rewards for the highest Partner title you achieved in the previous 6 months, and after we've deducted 20% for the Customer Commissions and Partner discounts on the sales of your Friends' and Friends of Friends' included in your Total Community Sales volume.

## A Special Bonus Unique To Part & Parcel:

**Plus to Plus Bonus:** We'll set aside an additional 1% of your Total Customer Sales for you to gift to any Partner in our whole Partner community, or to charity.
